

Fact Sheet

Highlights:	<p>Voya is the intimate, sophisticated 80-seat restaurant and lounge located lobby-level at Loden in Vancouver's downtown Coal Harbour district.</p> <p>Led by Executive Chef Marc-Andre Choquette, Voya abandons the familiar with its globally inspired French-Asian cuisine. Sophisticated, internationally fused dishes feature fresh, local and organic ingredients, always true to the season.</p> <p>Voya's sommelier seeks out fresh, new and exciting wines from around the globe, highlighting smaller, family estates. Meanwhile, Voya's energetic lounge serves unique, contemporary cocktails and classic drinks that are artfully prepared. Voya also offers on-premise filtered water as an alternative to bottled water.</p>
Setting:	<p>Beyond a suspended fireplace wrapped in onyx, Voya's dining room is centre-lit by three sparkly chandeliers and light glows from 1940s inspired screens of mirrored, interlocking circles that border the space. Bright-white lacquer tables, ice-blue and chocolate hued upholstery, oversized mirrors and sinuous lines add to the chic décor and sense of occasion.</p>
Special Features:	<p>The back-lit sandblasted glass bar features white marble and industrial metal accents that cool the predominantly warm palette of smoky mirror and rich wood throughout Voya.</p>
